East Boise Youth Baseball and Softball
Juniors Pitch Count Affidavit

Pitching affidavits are to be available at the start of each game and in the possession of the Official Scorekeeper during the game. Pitching affidavits shall be completed **in ink** following each game and **must** be signed by the Official Scorekeeper, the Plate Umpire, or an opposing coach following each game.

NOTES: If the pitcher reaches the maximum pitch count while facing a batter, he may continue to pitch until the completion of that at-bat. Players are not allowed to play catcher and throw 50 or more pitches in the same game.
